FINANCING STRUCTURE

IMPORTANT: Adriana's \$300,000 cash goes to **CONSTRUCTION COSTS** — not carrying costs.
Every dollar of her cash goes directly into building the property.

PHASE 1 — ADRIANA'S CAPITAL (\$300,000)

Payment	Purpose	Amount
1	Deposit — plans, permits, surveys, mobilization	\$50,000
2	Site prep — clearing, grading, fill, temp electric	\$100,000
3	Slab + rough plumbing	\$95,000
4	Partial exterior structural	\$55,000
TOTAL — ADRIANA'S CASH		\$300,000

PHASE 2 — DKC LENDING (\$310,000)

Continues from where Adriana's cash is fully deployed:

Purpose	Amount
Remaining exterior structural	\$37,000
Roof + shell	\$82,300
Interior framing, MEP rough-in	\$80,300
Drywall, paint, fixtures	\$75,400
Final completion, CO	\$35,000
TOTAL — DKC LOAN	\$310,000

Monthly interest on DKC portion: starts at ~\$370/mo, grows to ~\$3,100/mo as drawn

Estimated total interest: ~\$15,500 (4-5 months of payments only)

TOTAL COST SUMMARY

Item	Amount
Land (owned free and clear)	\$400,000
Construction — Adriana's Cash	\$300,000
Construction — DKC Loan	\$310,000
Estimated Carrying Cost (interest)	~\$15,500
TOTAL ALL-IN COST	~\$1,025,500

RETURN ON INVESTMENT

Metric	Conservative	Optimistic
Estimated ARV	\$1,300,000	\$1,500,000
Total All-In Cost	\$1,025,500	\$1,025,500
Estimated Profit / Equity Created	\$274,500	\$474,500

• Final inspections + Certificate of Occupancy • Client walkthrough and punch list • Refinance DKC loan into permanent mortgage — OR — sell for profit • Estimated equity at completion: \$274K - \$475K	

MEETING SCRIPT & TALKING POINTS

Meeting Objective: Walk the lot, close the deal, get \$50K deposit to start plans.

OPENING (in Spanish if she prefers)

"Adriana, great news — DKC pre-approved the financing. \$310K ready once we have plans and permits. Let's get started today."

KEY TALKING POINTS

1. DKC is asset-based — approved based on the property, not her credit. No hassle.
2. Her \$300K covers construction directly — not interest payments. Every dollar goes into the building.
3. DKC only enters when her cash runs out (~month 4-5). Interest is only ~\$3,100/mo for 4-5 months total.
4. Plans start immediately after signing — Michelle is ready.
5. The proposal technically expired (15 days from Mar 20). We're honoring it today but need to move NOW.
6. Total equity created: \$274K-\$475K on a ~\$1M investment. That's 27-47% return.
7. FMB vacation rental zoning = strong cash flow from day one.
8. She's experienced — 5 rental properties. This is her best deal yet.

HANDLING OBJECTIONS

- **"Too expensive"**

→ \$154/sq ft for a coastal duplex with impact windows and CMU on pilings. Very competitive for Fort Myers Beach.

- **"Need to think about it"**

→ The DKC term sheet won't stay open forever. Let's lock this in while it's approved.

- **"Can I get a lower rate?"**

→ 12% for 4-5 months is ~\$15K total. That's it. Then you refinance to conventional at 7-8%.

- **"Timeline too long?"**

→ Plans 6 weeks, permits 2 months, build 8 months. You could have keys by spring 2027.

CLOSE

"Let's sign today. The \$50,000 starts everything. I'll have Michelle begin designs this week."

LEE COUNTY / FORT MYERS BEACH CONSIDERATIONS

PROPERTY & CODE REQUIREMENTS

Requirement	Details
FLOOD ZONE	FMB is in FEMA flood zone — structure must be elevated. Already on pilings per proposal.
HURRICANE CODES	Post-Hurricane Ian (2022), Lee County has stricter building codes. All new construction must meet updated wind load requirements.
IMPACT WINDOWS	Already included (MR-Glass) — mandatory for coastal construction in this zone.
CMU CONSTRUCTION	Concrete masonry unit — stronger than wood frame, required for coastal zones.
PILINGS / ELEVATION	Structure elevated on pilings with open parking underneath — meets flood zone requirements.
ZONING TFC-2	Allows multi-family AND daily/weekly vacation rentals — huge value for investment property.
PERMIT TIMELINE	Lee County permits typically take 6-8 weeks after submission. Fort Myers Beach may add additional review time post-Ian.
SEPTIC vs SEWER	Verify if lot has sewer connection or needs septic system.
SETBACKS	Must comply with Fort Myers Beach setback requirements for the 0.11-acre lot.

MARKET DATA — FORT MYERS BEACH

Metric	Value
FMB Multi-Family Median Listing	~\$947,000 (mostly older inventory)
FMB Average Sale Price	\$954,566
New Construction Price / Sq Ft	\$250 - \$300
Post-Hurricane Ian Premium	New code-compliant builds commanding top dollar
Vacation Rental Potential	FMB is one of the top vacation destinations in SW Florida
